RE: America Recycles Day

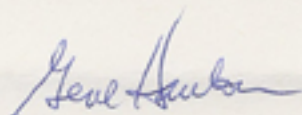

Dear Thor:

I'm writing to express our sincere appreciation to you for your support of America Recycles Day and donating one of your computers for our Community Grand Prize drawing. Your donation of the computer provided a valuable incentive for people to take the time to complete a pledge to increase their recycling efforts or buy recycled content products.

This year we received over 1,900 pledges from Lincoln and Lancaster County residents to step up their recycling efforts. I don't believe this would have been possible without your support. I hope you found your involvement in the America Recycles Day campaign beneficial.

Best wishes to you and your family during the holiday season. I hope that the New Year brings much happiness to you and your family.

Sincerely,

Gene Hanlon
Recycling Coordinator
