## Schrock Innovations Welcomes New Talent

### Josh Tausz Adds Website Development Experience to Team

Omaha, NE – Dec 4, 2006: Josh Tausz was hired today to add additional experience and talent to the Schrock Innovations Web Development team in Omaha.

Tausz graduated from UNO with double majors in Mathematics and Computer Engineering, and is immediately taking over the development of more than a half dozen active development projects.

“We are excited to add an employee of Josh’s caliber to our Web Development Team,” Thor Schrock, Owner of Schrock Innovations said. “The ability to quickly develop quality online content will prove to be an invaluable asset to our company in 2007.”

Tausz will also be handling portions of the company’s graphics development needs and will take over maintenance of the Schrock Innovations company website.
