Dear Thor:

I did not have the chance to listen to you on KFOR this morning as I had intended. MY LOSS!
I trust the show proceeded as you intended.

I wish to thank you for providing the opportunity to support Schrock Innovations both as a customer and telling people about my unflinching good experiences as a customer on the radio. Your continued high standards of customer service and quality workmanship even as Schrock Innovations has grown is remarkable and appreciated.

Also thank you for your informative radio programs, web site and blog.

Regards,
